## ***Interested in Helping Your School Raise \$500 a Month? Sign Up to Be Your School's TrueBlue Coordinator Today!***

*With the TrueBlue Schools Program, your school could receive up to \$500 a month from 100 customers in your community that choose Georgia Natural Gas (GNG). Get 100 Georgia Natural Gas customers to enroll in TrueBlue Schools, and that's \$6,000 directly to your school over a one-year period. It's that easy and it adds up fast!*

*In addition, we post new recipes and cooking tips on TrueBlueSchools.com that kids and parents will love. There's a healthy eating Webisode to watch as well that's full of fun, fascinating food facts... and some simple breakfast, lunch and dinner idea, too. Now that's TrueBlue.*

*As the TrueBlue Coordinator you will be charged with promoting this program in your school and in your community throughout the year, with a goal of getting as many people as possible to sign up as a Georgia Natural Gas customer and for the TrueBlue Schools Program so your school can receive money. We will be sending you a TrueBlue Coordinator Kit that will include a brochure, flyers, posters and a USB drive with additional resources along with a special gift just for you!*
