

TRUEBLUE VIEW

OCTOBER

HEY COORDINATORS!

Fall is officially here and with the cooler weather just around the corner, October is the perfect month to get people thinking about their gas provider and signing up for the TrueBlue Schools Program!

Georgia Natural Gas is hoping to donate \$2 million to Georgia schools. So, if there is a PTA council/cluster/district that you think would benefit from this program, please don't hesitate to contact us about speaking on behalf of TrueBlue schools at an upcoming meeting. We are also more than happy to come out to your school's PTA meeting or event to help you get the word out about raising money the TrueBlue way. Email Ron Witcher at ronwitcher@trueblueschools.com.

Halloween will be here in a few short weeks! Don't be afraid to ask guests to bring their gas bills to your costume party and sign them up for the TrueBlue Schools program at your house!

School Spotlight: The Goddard School Hosts TrueBlue Sign-up Day

The Goddard School on Old Atlanta Road will be hosting its first TrueBlue Sign-up Day on Thursday, October 1st from 1:00 p.m.-6:30 p.m. The Goddard School is encouraging all parents, family members, neighbors and local community members to stop by their computer lab (with their gas bills in hand) during the listed hours to sign up for GNG and the TrueBlue Schools Program. A TrueBlue Schools representative will be in attendance to help participants sign up and to ensure the Goddard School gets a great start to raising money for their school the TrueBlue way!

Now that's TrueBlue!

TrueBlue Reminders:

- Don't forget to RSVP for the TrueBlue Coordinator Workshop on 10/17 by 10/06.
- The first round of quarterly TrueBlue donation checks will be sent to your school this month! Be looking for your donation check from South Star Energy!
- Please get your W-9 forms in so your school can receive money! They may be faxed to (404) 685-4030
- We have been hearing that several TrueBlue Coordinators are using their TrueBlue Visa reward check cards as incentives for sign-up contests or buying supplies to promote their fundraising efforts. These are great ideas!

Healthy Eating

Pumpkin is not just for pies!

Bored with making the same lunches for your kids day after day? Georgia Natural Gas is making it easy for you with some new, healthy delicious recipes.

Try the **Spicy Pumpkin Fries!** *It's a great source of nutrients and delicious cooked as fries. I like to serve these fries with grilled burgers or steaks. Slice them into very thin sticks and watch the kids down them like there's no tomorrow. You can also make these fries with butternut squash. Get the recipe on www.trueblueschools.com.*

Need healthy, fast recipes? Check out www.trueblueschools.com, for regularly updated recipes and eating tips.

Event Coordinator Workshop

HAVE YOU RSVP'D YET?

By now you should have received your invitation to the TrueBlue Coordinator Workshop either in the mail, email or both! If not, keep an eye out as you should receive it any day now. If you have not gotten one yet, please let us know.

It is much more than a workshop to say the least! This interactive event will take place on a live television set and will include a cooking demonstration by your host and cooking expert, Jennifer Bushman, as well as hands-on cooking instruction. So be prepared to roll up your shirt sleeves! In addition, You will also pick up the second half of your coordinator kits and be able to discuss your ideas and the program with other coordinators and the TrueBlue Team.

Additionally, one lucky TrueBlue Coordinator will win a one-on-one healthy eating pantry consultation with Jennifer. So be sure to block off a little extra time after the event in case you are the lucky winner!

RSVP to RonWitcher@TrueBlueSchools.com

The TrueBlue Schools team (Ron, Jennifer and Chad) are looking forward to helping you raise money for your school!

WE WANT TO HEAR FROM YOU!

Email us your TrueBlue success stories, ideas, or photos so that we may feature your school in our TrueBlue View School Spotlight. Ron.Witcher@southstarenergy.com
