## Donations Coming in October!

In order for your school to receive quarterly donations, you must have a W-9 form on file with Georgia Natural Gas TrueBlue Schools.

If your school has already submitted a W-9 form, you do **NOT** have to re-submit each year. To check your W-9 status, please visit [www.trueblueschools.com](http://www.trueblueschools.com).

If you have not submitted your school's W-9 form, please do so before the **end of September** so your school will receive the next quarterly donation. Fax your form to 678-824-6498 or email [kyla@trueblueschools.com](mailto:kyla@trueblueschools.com).

## Rachel's Challenge: Add to the Chain on 11.11.11

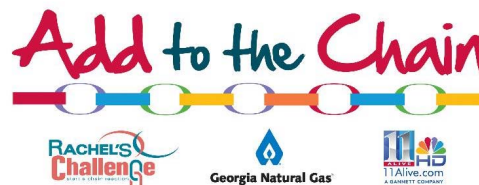

*Help spread kindness and compassion at your school.*

Join 11Alive, Rachel's Challenge and TrueBlue Schools on 11.11.11 at the Georgia Dome for the Rachel's Challenge - Add to the Chain Salute to Service and Kindness. The event will be held on Veteran's Day to honor the ultimate act of SERVICE by those who have served in the military. At the same time, we will celebrate KINDNESS as exemplified by Rachel's Challenge.

Remember, through the TrueBlue Chain of Kindness Georgia Natural Gas will donate funds to help bring a Rachel's Challenge Assembly to your school. It's Easy! When 25 new GNG customers sign up for service and enroll in TrueBlue Schools, GNG will donate \$2,000 to your school.

To participate in the Add to the Chain event, please [download](#) the school information packet.

Grass fed beef can be found at most super-markets and contains a third less fat per serving than industry beef. Try it in your next recipe. It's healthier and your family is sure to enjoy and appreciate the difference!
